 IAFP 2014
AUGUST 3-6
Indianapolis, Indiana

If you attended **IAFP 2014** but couldn't make it to a particular presentation — or want to revisit a specific session you may have attended — author-approved presentations are now posted on our website for **registered attendees only** to view and download. An email was recently sent to **IAFP 2014** attendees with instructions on how to access the presentations; contact the IAFP office if you did not receive this.

Also available on our website are dozens of photos taken throughout Annual Meeting. Go to ([link yet to come](#)) to relive the highlights. The November/December issue of *Food Protection Trends* will include **IAFP 2014 in Review**, summarizing each day's activities, minutes from all committee and PDG meetings, award recipients, and essays from recipients of the Travel Award for State or Local Health or State Agricultural Department Employees, the Travel Award for a Food Safety Professional in a Country with a Developing Economy and the Student Travel Scholarship Award about their experiences while at **IAFP 2014**.

IAFP is seeking a Scientific Co-Editor for *Journal of Food Protection (JFP)*, to begin January 1, 2015. Among the many duties, this position will work closely with IAFP editorial staff to manage the peer-review process of submitted manuscripts for publication in *JFP* and will serve as an intermediary between manuscript reviewers and authors. Applicants may forward a letter of interest and C.V. by **September 25, 2014**, to Manan Sharma, Selection Committee Chairperson, c/o David Tharp, IAFP, dtharp@foodprotection.org.
